INFOPACK FOR VOLUNTEERS

PRESS: main project. Coordinated by YouNet, aims to promote mobility and transnational volunteering as a non-traditional form of emancipation and learning, aimed in particular at young people with fewer opportunities, in order to obtain a better knowledge of the active role that they can play in their communities of origin as well as in society, for a transition to adulthood and the responsibilities that this entails.

The project will involve 20 volunteers from all over Europe, who will volunteer in different venues and will carry out very different activities

Budrio: small municipality close to Bologna (30 min by train) where the action takes place.

THE PROJECT

The project includes the involvement of volunteers in the cultural activities of the municipality of **Budrio**, with particular attention to those related to **the Water Towers, the 5 local museums and cured activities by the Department of Youth Policy**, in order to develop stronger relationships and dynamics between the different cultural initiatives of Budrio, including educational institutions and promotion of cultural activities, especially for young people.

Activities

Cultural events, courses, art workshops, exhibitions, book presentations, guided tours, including social networks and websites of the municipality in collaboration with the Communication Group (composed by local youth), communication activities such as social media management, preparation of the newsletter, creation of promotional videos, creation of cultural articles, creation of promotional graphics, etc.

There will be an initial period of non-formal education and knowledge of the multiple cultural possibilities, to allow the volunteers to acquire the skills needed. Also, being in contact with the local people, volunteers can be totally immerse in the Italian and local culture.

All together, volunteers will also carry out some common projects (video about the project, radio interviews, public events and language tandems...)

Volunteer profile

Previous experience in the field of entertainment, communication and some would also give us an interesting opportunity for sharing best practices.

GENERAL CONDITIONS

Accommodation: it is in the guest house of the municipality, in the city centre. Volunteer will have a single room (bed linens are provided) and a shared toilet. From time to time, depending on particular local events, other guests can be hosted in the accommodation. Each room has its own key and the privacy of each person will be respected.

Travel costs: travel expenses (round trip flight) will be reimbursed to the volunteer according to the distance band (usually it's 275€) . Bologna is the closest airport, but it is also possible to land in Milan, Venice or Rome and then take a train to Bologna. From Bologna the volunteer can take a regional train, available every 20 minutes.

Free days: during the project, volunteers will have two consecutive free days per week, as well as two additional free days per month. Holidays should be negotiated with the organisation to guarantee its proper functioning.

Volunteers will have access to OLS (Online Linguistic Support) so that they can start the course provided by Erasmus+ programme. If needed, Yonet will provide an additional training with an Italian teacher. At the end of the project the volunteer will take an assessment in order to know the final level of Italian.
