ESC PROJECT IN YOUTH ORGANISATION

BOLOGNA - ITALY

INFOPACK FOR VOLUNTEERS

ESC project, coordinated by Younet, aims to promote mobility and transnational volunteering as a non-traditional form of emancipation and learning, aimed in particular at young people with fewer opportunities, in order to obtain a better knowledge of the active role that they can play in their communities of origin as well as in society, for a transition to adulthood and the responsibilities that this entails.

The project will involve volunteers from all over Europe, who will volunteer in different venues and will carry out very different activities

Host organisation: **IFOM**, in Bologna (Italy)

Topics of the project

YOUTH POLICIES
EUROPEAN AWARENESS
MEDIA & COMMUNICATION
EDUCATION
CREATIVITY
CULTURE

CONTEXT & ENVIRONMENT

Volunteers will be actively embedded in the multiethnic and stimulating environment of **Bologna** by exploiting the activities and network of contacts of IFOM/YouNet. This will enable them to approach this context and act as protagonists thus making the most of the unique opportunity of the ESC.

The volunteers will be involved in an European environment and will have the chance to learn about how European institutions and programmes work, especially youth policies and opportunities.

In IFOM, the volunteers will be involved in supporting the implementation of learning mobilities activities addressing European students coming to Italy or going abroad for vocational practice (**VET**-Vocational and Educational Training). Volunteers will support the activities from a logistic and networking point of view.

ACTIVITIES

Guide students through the city

Contact European schools

Accompany the students to cultural visits

Translate documents in his/her mother tongue

Support the educational activities in the organisation

...& more!

WHAT CAN YOU LEARN

Depending on the volunteers approach and competences, the volunteer may be involved in supporting training activities or the preparation of European projects and local youth activities. They will improve their teamwork abilities, increase awareness of their own capacities and will see their self-esteem boosted.

All together, volunteers will also develop some common projects (video, radio interviews, public language tandems, public events...).

All volunteers are responsible to contribute to the visibility of the project and the ESC programme.
