Description			
<i>Provide a short description of the event and its activities.</i>			
<p>International workshops in Tirana was facilitated by People in Focus and lasted 2 days. The organisation was responsible for preparation of the venue, specific agenda, infopack (including the tips on travel, city, food, emergency contacts, transport etc). The extra trainer from YouNet helped with facilitation of the workshops and preparation of agenda and activities, adding a specific focus on the phenomenon of Hikikomori and social withdrawal. People in Focus took care of contacting local stakeholders (schools, teachers, youth organisations, youth workers, social workers, institutions etc), who participated in international workshops. The rest of the partners (Mennsana and IFSS) brought two participants each.</p>
